

Please get in touch
(via the contact us
form) if you think you
can help in any way

- ⇒ Is Heath building seen as a useful community resource?
- ⇒ Would it matter to you/the community if the building closed?
- ⇒ Do you know any organisations who might be able to offer financial or practical support?
- ⇒ Have you any fund raising ideas?
- ⇒ Might you be willing to join a building management group?
- ⇒ Anything else that occurs to you

**Can we make
Heath building
Healthy ?**

Heath ,Halifax

The advertisement for our Parish Nursing post is on the above website.

**Heath Church
building isn't feeling
too good!**

....but there is so much
healthy stuff going on
inside it

Take a look inside this leaflet

We have healthy activities

We have come to realise that there is a theme to all that goes on inside our building whether it is a church related activity or not. What all the activities have in common is developing healthy bodies / minds/ spirits. Look at this list and you will see what we mean.

- ⇒ Stroke Club
- ⇒ Luncheon Club
- ⇒ Zumba
- ⇒ Eazi Dance & Tap
- ⇒ Community coffee morning
- ⇒ Ward and community meetings

- ⇒ Slimming World
- ⇒ Beavers, Cubs and Scouts
- ⇒ Orchestra rehearsals
- ⇒ Music lessons
- ⇒ History society
- ⇒ Toddler group
- ⇒ Fair Trade Stall
- ⇒ Messy Church for families
- ⇒ Sunday worship & singing
- ⇒ Thursday social club
- ⇒ A variety of concerts of different styles
- ⇒ Charity activities e.g. quiz evening , bacon butties morning, food bank support, Christmas toy collection

Breaking news

We have obtained funding to employ a part time **Parish Nurse**. Parish Nursing @ Heath will provide a nurse led outreach service based on the parish nursing model already operating successfully in more than 80 churches across the UK, and supported by Parish Nursing Ministries UK. The service will provide a new community health resource for our locality, and one that supplements existing health and care services by supporting whole person healthcare particularly for the vulnerable and elderly.

...but a sick building

You will have seen the scaffolding. We have embarked on a comprehensive programme of repairs and maintenance but as so often happens with any building work, and particularly on old Victorian buildings, the list of works gets longer as work progresses!

We are now very concerned at the rising cost of this work, and that is before we consider interior decoration and modernising, which, if you use the building, you will have noticed is badly needed in some parts.

The group of people able to care for the building and to try and raise money is small. We have faith and vision for the potential of Heath's building but we also know we can't do it on our own.

Messy fun!
